

BUILD, MANAGE, AND DEEPEN YOUR B2B RELATIONSHIPS TO HELP YOU TRANSFORM YOUR BUSINESS FOR THE DIGITAL ECONOMY with Juvo Payables[®].

Juvo Technologies brings you Juvo Payables[®], an e-payables solution backed by Juvo support you know and trust.

Since we have grown, Accounts Payable suddenly demanded lots of paper, lots of people, and lots of time. Time spent on correcting invoice errors, engaging in supplier calls regarding payment status, all leading to over payments and missed discounts. Since adapting to e-payables solution; went paperless, streamlined process, connect electronically to suppliers, improved cash flow, faster approvals, and received early pay discounts. Essentially turning what was a “cost center” into a “revenue generator.”

Juvo provides multiple options to help buyers and suppliers complete the procure to pay processes faster, easier, and with greater visibility with several payment options:
